Congress of the United States

Memo-

from the Desk of . . .

L H W

House of Representatives

December 31, 1966

Mr Weisberg,

We the people feel the effect of your writings is a "White wash" too. Why? because the Negro has been under the influence of the Jew during the Civil rights movement, and now they have become very anti-semetic -- and say "the Jews killed our President". Is this true Mr. Weisberg? Mr. Jack Rubenstein is a Jew - is he not? We anglo-saxon whites are still waiting for some of you "wise men" to bring forth the real "Brunhild" - Was she on Onassis boat? Was she in Georgetown? Was she Madam Nu? The time is late for the facts that the Widow and Bobby Kennedy have to be told. Either put up or shut up. and stop inferring that our President

Lyndon B Johnson is involved.
Yes, Tom. Wasberg - the truth will
out one day - we hope and pray -
but it is going to be shocking.
Do the negros have the truth,
and are telling that it is the
Jews? Lets have a statement
from some of the suspect
Brunhilda's okay.

Reply please,
